Students of SLNCE Donating blood

Girl students of the college donating blood

A blood donation was organised by HKE Society's SLNCER, on 07-09-2019. A team of doctors from RIMS visited and collected blood. The event started with Ganesh Vandana, poem recitation and a small skit by students of SLNCER. Even donors from nearby regions of college also took participation. Donors were given fruits and juices. Blood donation camp continued till 3:00 pm. The chief guest of camp was Dr. R. Basawaraj principal of college. He concluded the camp at 3:00 pm. Overall blood donation camp came to an end with great success. Total of 48 students took participation.
